CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Migratory Camps Will Get Streets And Roads Rebuilt

James W. Vann, executive director of the Pahokee Housing Authority, said Tuesday that bids will be sought on June 15 for rebuilding and paving roads and streets in the three migratory camps now under direction of the authority.

During the last years under federal supervision the streets and roads went up the camps to the local authority as much work as possible has been done on them out of the small amount of money available, Mr. Vann said. However, with the small amount of maintenance money it was impossible to keep them in first class condition.

Through the efforts of Mr. Vann and officials of the Housing Authority, several thousands of dollars in cash have been made available through federal government sources for the work. Members of the authority in their legal ad calling for bids reserve the right to reject any or all bids.

Mr. Vann pointed out that the street and road program is the first step in a general rehabilitation program to be executed on all three of the camps.

Twenty-Four Students Take Aptitude Test

Twenty-four members of the Pahokee High School Senior Class who thought they might like employment directly after graduation were given vocational aptitude tests by Arthur Larimore, head of the Florida State Employment Service office in Belle Glade.

Following the tests Mr. Larimore discussed with each Senior the job the tests indicated he or she was best suited for.

Civil Air Patrol Unit Is Organized

A Civil Air Patrol unit for the Glades area was organized Wednesday night of last week under the direction of Lt. Col. Cosby, head of the Civil Air Patrol in West Palm Beach.

The new unit was designated as the Glades Civil Air Patrol Flight. W. E. (Bill) Golden was elected to head the new Glades CAP unit. Other officers chosen were Perry Duke, adjutant; Howard Holman, training officer; Gil Galbaldon, operations officer; Howard Bair, communications officer; V. C. Geiger, supplies officer, and B. E. Weeks, public relations officer.

The territory to be covered by the Glades CAP Flight includes the Lake Okechobee and Everglades region from Okechobee to Clewiston. Persons desiring information about membership are asked to contact Mr. Golden, either personally or by telephone, at the Belle Glade Airport.

The next meeting of the Glades CAP Flight will be held at the Belle Glade Airport Sunday, May 27.

Mrs. Webb Died Of Heart Attack

Mrs. Norman J. Webb of Pahokee, 59, a resident of Pahokee for the past four years, died suddenly from a heart attack at a store on Pahokee-Canal Point Road Friday afternoon.

Survivors include the husband, E. C. Webb, of Pahokee, and two sons, Roy N. Schmidt and Harold W. Schmidt, both of St. Paul, Minn.

The body was shipped Monday night by Berry's Funeral Home to St. Paul, Minn., for funeral services and burial.

35 Seniors Will Receive Diplomas Monday, June 4th

The Pahokee High School Senior Class of 1951 has 35 candidates for the diplomas which will be presented to the graduates by County Superintendent Howell Watkins at the Commencement Exercises in the high school auditorium Monday night, June 4.

They include the following 17 girls and 18 boys: Janet Adams, Betty Jane Barber, Stella Joan Benton, Vernell Browning, Myra Lee Cruthirds, Betty Joan Hoyle, Anna Lee Hurt, Zella Jones, Janette Mathis, Patsy Maxson, Joan Rosenberg, Eva Mae Rutherford Mosley, Joan Ryals, Mary Ellen Sims, Carol Snyder, Joan Sheppard Weeks, Marlene Williams, Sidney Caruthers, Edward Culberson, Charles Holmes, Charles Lairsey, Willard McMurtry, Chandler McIlwain, Robert Mackey, Dale Maxwell, Ronald May, Richard Ogle, Bobby Peacock, Frank Rosenberg, George Rozelle, Charles Sears, Jack Thomas, Melvin Tillis, Richard Willis and Trevette Weeks.

Janette Mathis will give the valedictory and Janet Adams, the salutatory. The commencement address will be delivered by Paul Rogers, West Palm Beach at Torrey.

Preceding the commencement exercises, the annual school wards will be presented during the annual class night program in the high school auditorium Friday night, June 1, and baccalaureate services will be held in the high school auditorium Sunday night, June 3, with the Rev. Hoke H. Shirley, pastor of the Pahokee First Baptist Church, scheduled to deliver the sermon.

Nathan Mayo To Run For Relection To Present Job In 1952

Immokalee, Commissioner of Agriculture Hon. Nathan Mayo announced here recently that he would be a candidate for reelection in 1952. He made the statement in a speech at a Collier County celebration marking the opening of the new market road to Immokalee.

At the same time he said that the State Agricultural Department planned to build a State Farmer's Market here in time for the opening of the season next fall. Mayo has been commissioner of agriculture since 1923 and is 75 years old.

Belle Glade To Get New High School Of 11 Rooms And Gym

Preliminary plans for a new Belle Glade High School building with 11 class rooms, offices and gym have been approved and funds set up in next year's budget, County Supt. Howell Watkins said Monday.

Although it is hoped to award the contract shortly after July 1, construction could not possibly be completed before the second semester, he added.

School Board members held a routine meet at 2 p. m. Tuesday, the superintendent said. Since a number of preliminary meetings must be held first, no action is expected on Palm Beach Junior College relocation, he added, but a special session might be set for next week.

CANAL POINT AUXILIARY TO OBSERVE MEMORIAL DAY

Members of the American Legion Auxiliary, Canal Point Post 242, will go to the Port Mayaca Cemetery on Wednesday, May 30, at 9 a. m. to place crosses and wreaths on veterans' graves in observance of Memorial Day.

For & Wife Will Become Jap Missionaries

J. Tom Watson, manager of Belle Glade radio station WSWN, has resigned to become a missionary in Japan, it was revealed Monday.

Both he and Mrs. Watson leave Belle Glade June 14 for Wheaton, College, Chicago, for a two months Bible course and to attend the Evangelical Alliance church's candidates missionary school.

Mr. Watson opened the Glades radio station in October 1947. Prior to that he was located at Port Pierce a year and a half as manager of WIRA.

He is a graduate of the University of Florida, and Mrs. Watson a graduate of Florida State College for Women, now Florida State University.

They have three children, Anne, 6½, Tommy 4½ and Goree, 2½ years old.

The children are expected to accompany them to Japan.

Mrs. Mary Foy, WSWN commercial manager since the station's opening, succeeds Mr. Watson as manager. She is understood to be the only woman radio station manager in Florida.

Operated by Seminole Broadcasting Corp., principal stockholders are Dr. Robert G. Nelson, Tampa, Mrs. Watson's father; Dr. Carnes Harvard, Brooksville, and Mr. Watson.—Palm Beach Post.

CHURCH DINNER SCHEDULED TUESDAY

Members of the Canal Point Methodist Church will bring baskets of food for a church picnic dinner at the County Park in Canal Point Tuesday evening, May 28. Rev. and Mrs. Earl J. Jones are in charge of arrangements.

Rev. Shirley Spoke To Pahokee Lions

Rev. Hoke H. Shirley, pastor of the Pahokee First Baptist Church, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club.

Introduced by M. P. Stanley, program chairman, the speaker gave a talk on "The Power of Prayer." James W. Vann, first vice president, presided in the absence of President Leonard Dobrow who was attending the Lions State Convention in Jacksonville. Other members of the Pahokee Club who attended the convention were Frank Rozelle, Gil Galbaldon and Manning I. Keen.

Freak Hurricane Forms Off Coast & Alerts State Early

Mark up May 17, 1951, as an unusually early date for a hurricane to form off the coast of Florida. That's what happened last Thursday morning. The one o'clock news in the afternoon said that it was an "ocean storm" with waves rolling 12 to 15 feet high and was whipping it up 80 miles east of Vero Beach.

At 2:30 p. m. news from the Miami weather bureau gave more details of the storm and it was officially labeled as a hurricane. Every two hours for the remainder of the day folks along the east coast of Florida remained close to their radios for news.

At 4:30 the news reported that the blow had stalled momentarily 80 miles east of Jupiter (20 miles north of Palm Beach) and from indications it would head south-southeast when it started to roll again. This time the weather bureau hit it right on the nose and when it started to roll hours later it headed for the Bahamas. It battered Island Acua and blew itself out in the Atlantic.

On Monday night of this week a freak blow came in off Lake Okechobee at 7:45 and the Townsite in Canal Point loomed a lot like it did after the hurricane, fall. Small shrubs and palm fronds littered the streets following the blow. Speed of the wind has been estimated at 50 to 75 miles an hour. Anyway, it was most "unusual" and brought long needed rain. The storm roared in off Lake Okechobee and this writer heard it for more than five minutes before it struck Canal Point. After thirty minutes of rain and wind the storm subsided. Tuesday morning was the usual sunny Florida weather.

Senator Pope Would Promote Wild Life

TALLAHASSEE—Senator Pope of St. Augustine would have the state spend \$100,000 annually in matching federal funds for wild life conservation.

Florida would put up one dollar of state money for every three dollars provided by the federal government. The federal matching is provided for in the federal wild life restoration act. By appropriating \$100,000 this state would benefit with a \$400,000 fund for conservation.

More Road Work To Be Done In Glades During Summer

More road construction work is scheduled for the Everglades section of Palm Beach county this summer, according to County Commissioner Chairman Paul Rardin who recently returned from Tallahassee. Contracts will be sought by the State Road Department on several important pieces of road in this area, Rardin said.

The Road Department will ask for bids on June 5 for retreading 16 miles between Twenty Mile Bend and Six Mile Bridge. This stretch of road has a good base and the retread job will put it in first class condition. Bids will also be sought at the same time on a three mile piece of road between the Palm Beach-Hendry county line and Clewiston. This contract will finish the road all the way from South Bay into Clewiston.

Money has been set up in the 1951 budget by the SRD for retread job on State Road 80 from Loxahatchee to Military Trail in West Palm Beach—a distance of 14 miles. Also in the budget is enough money to build the four much-needed bridges in the Lake section of the county—South Bay, Lake Harbor, Six Mile Bridge and Canal Point.

Plans call for early work on the half mile stretch of road between the Pahokee-Canal Point highway and the State Farmers' market. Contract is expected to be let soon on SR 17—Baco Point to Belle Glade, Rardin said.

POST 242, & AUXILIARY TO MEET JOINTLY

The Canal Point American Legion Post 242 and the Woman's Auxiliary will meet jointly in the Legion Hall on Lake Front Street for a potluck supper Monday, May 28, at 7 p. m.

OPS To Meet With Merchants At B. G.

Two representatives from the Office of Price Stabilization, Miami, will meet with merchants of the entire Glades area in the court room of the Belle Glade city hall Wednesday, May 30, at 2 p. m.

They will be prepared to go into detail in answering any questions merchants may have in regard to the completion of their filing with the OPS and the special problems of grocery, meat and food handlers will also be reviewed and solutions offered.

OPS is reminding merchants May 30 is the last day for filing and any merchant coming under OPS regulations who fails to receive an acknowledgement of filing with OPS by June 30 will automatically be classified as "out of business," according to Mrs. G. C. Young, executive secretary of the Belle Glade Chamber of Commerce, who is making arrangements for the meeting.

All merchants of the Glades area who have any questions in their minds about filing with OPS are urged to attend this important meeting.

Display Of Art Is Interesting, Prizes Are Awarded

The display of art works done by the High School Students of Pahokee and Belle Glade opened Saturday with a program of "Picture Interpretations." Piano selections by Miss Marion Najarian, Lynn Shirley and Carolyn Scruggs; a ballet by Dona Jensen and Gay Schoepel; poems by Carolyn Earwood added greatly to the success of the show.

The interesting display of paintings was arranged with the assistance of Mrs. R. V. Allison. They showed a wide variety of subject matter and individual taste.

Mr. and Mrs. McGibbon Brown of the Miami Art League were out of town guests. Mr. Brown gave a most informative talk on art and discussed the various types of pictures included in the show; awarding honors to winning students.

The first prize offered by the Everglades News for the best work done by a Pahokee Student went to Bobbie Frierson of Canal Point for her "Castle by the Sea." Second place went to David McCoy and third place to Mary Hall.

A First Prize offered by the Belle Glade Herald for the best work done by a Belle Glade Student went to Bill Robbins for his "Ballet." Second place went to Maomi Meeks and third place to Curtis Thompson, Jr.

A popularity prize offered by the New York Life Insurance Co. for the picture best liked by the visitors went to Bill Robbins for his "Lonely Watch."

In the various types of work done in Tempera, Mural work, Ink drawings, Tree studies, Outdoor perspective and Textile wall hangings. Ribbon awards were made to the following:

Pahokee group: Bobbie Frierson, Gloria Stuart, Richard Ogle, Carolyn Scruggs, Zella Jones, Melvin Tillis, Richard Tillis, Lynn Shirley, Joan Rosenberg, Joan Weeks, Mary Hall, and Bill Sanford.

Belle Glade group: William Mizell, Junior Collins, Lamar Lovell, Marvin Bergman, Constance Kelly, and Frances Layfield.

The show was well attended and the paintings inspired many interesting comments.

DO YOU KNOW—

THAT the public is given an opportunity each year to help the great work of the American Legion and the American Legion Auxiliary, a swell as opportunity to pay tribute to all who died in service, by wearing a poppy on Poppy Day? May 26 will be Poppy Day in Canal Point.

Stabilization Needed For Secure Future

MIAMI—The need for economic stabilization will be more and more apparent in the next few months as more of our productivity is channelled into defense materials and civilian supplies become scarce. Sam F. Davis, district director of the Office of Price Stabilization in Miami point out.

He based his observation on the recent statement before the House Banking and Currency Committee by Michael V. DiSalle, director of the Office of Price Stabilization in Washington. Mr. DiSalle pointed out that the causes of inflation for the first seven months after the Korean outbreak were psychological, but inflationary pressures in the immediate months ahead will be based on hard economic facts, Davis said.

For instance, up until now the military needs have taken only about eight per cent of our total national production. But by the end of this calendar year military requirements will take about 15 per cent of the national production, and a year from now will require nearly 20 per cent, Davis explained.

This rise in military production will create further powerful inflationary pressures. The supply of civilian goods will decrease as military needs cut into materials, resources and productive capacity.

At the same time the supply of income—wages, salaries, and other payments for defense work—will be greatly increased.

During this period, stabilization will be necessary to protect the American people from a runous inflation that would destroy the value of their income and their savings, Davis said.

OES Members Honor Grand Instructor

Members of the Pahokee Chapter, Order of Eastern Star, honored the OES grand instructor, Mrs. Stella Perkle, of Clewiston at a meeting in the Masonic Hall on Thursday evening of this week.

Mrs. Ruth Carpenter, associate matron, was in charge of the program presented in compliment to the guest of honor, Mrs. Edna Barrett, Mrs. Eleanor Bordeaux and Mrs. Virginia Adams were on the hosts committee that served refreshments.

Twenty-Five Pahokee Students See 'Hamlet'

Twenty-five students of the Pahokee High School Junior English Classes enjoyed a trip to Miami on Wednesday of last week when they saw a University of Miami Ring Theatre production of "Hamlet." In addition to seeing the play and meeting members of the cast backstage following the performance, the group heard a lecture by Philippe Del Guidece on producing Shakespearean motion pictures and following a tour of the University of Miami campus, they enjoyed a picnic supper.

The students were accompanied on the trip by their English instructor, Miss Ruth Evans, Miss Bette Lou Pickett, Mrs. Ora Powell and Mrs. Marie Funderburk.

New Pres. Student Council Is Elected

Charles McCurdy was elected president of the Pahokee High School Student Council at a school-wide election of council officers last week.

Other new council officers named by the studentbody were Ann Atkins, vice president; Rita Faye Hurt, secretary, and Joyce Lynn Hurt, treasurer. The new officers will be installed during assembly period at the high school this Friday. Retiring president is Willard McCurdy, brother of the newly elected president.

Ever see a boxer in a "sweat suit"? Well, one of the strangest sights at the Hialeah tract recently was Ogden Phipps' unraced colt, the Battler, on the training track wearing heavy blankets in an effort to take off excessive weight. The colt was sweating off poundage for his Kentucky Derby engagement.

METHODIST BEGAN SERIES OF STUDIES

Rev. Ralph W. Todd began a series of studies of the Epistles of Paul at the Pahokee First Methodist Church Wednesday night. The series will continue through a coming midweek prayer service at the church at which time explanations will be given why the letters were written, their importance to first readers, contents and value to us today.

The resolution of the Continental Congress creating a Corps of Marines provided that personnel selected should be "good seamen or so acquainted with maritime affairs as to be able to serve to advantage at sea."

Big, isn't she?

Twenty-seven thousand, one hundred tons of fighting steel! But this aircraft carrier is only a lightweight compared to some of the towering dreadnaughts that make the U. S. Navy the mightiest in the world. Your navy is in there slugging every minute, doing its job to defend you and all of the things you hold dear.

But remember, defense is your job, too! And one of the best ways to do your job is to buy U. S. Defense* Bonds. You'll be helping your country and at the same time you'll be making the soundest investment on earth today. For U. S. Defense Bonds are as safe as America!

★ ★ ★

THE U. S. DEFENSE BONDS YOU BUY GIVE YOU PERSONAL FINANCIAL INDEPENDENCE

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house, or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you don't save at all.

So go to your company's pay office—now—and sign up for regular Defense Bond purchases through the Payroll Savings Plan. In this plan, you may save as little as \$1.25—or as much as you want—each week. If you can save just \$7.50 weekly, in ten years you'll have bonds worth \$4,329.82 cash! You'll be helping protect America—and helping your dreams come true.

***U. S. SAVINGS BONDS ARE DEFENSE BONDS
BUY THEM REGULARLY!**

Faculty & Cafeteria Staff Honor Teachers

Members of the Pahokee School faculty and the school cafeteria staff entertained in the home economics room at the school Tuesday afternoon with a tea in compliment to two of the teachers who plan to get married this summer.

Miss Ruth Evans, bride-elect of Frank G. Handley, and Miss Winifred Clowe, bride-elect of Paul Pearson.

Guests of honor also include Miss Evans parents, Col. and Mrs. W. S. Evans, of Port Mayaca; Miss Clowe's mother, Mrs. Thomas Clowe of Lake Worth, and Mr. Pearson's mother, Mrs. E. C. Pearson, and Mrs. J. M. Stears, also of Lake Worth.

In the receiving line were Principal C. A. Canipe, Mrs. J. R. Yorik, Miss Ruth Dorsey, Miss Evans, Miss Clowe and other guests of honor.

Mrs. Cleo Douthit and Mrs. Tommie Lee DuBose, in charge of decorations, used attractive arrangements of lavender, day lilies, yellow hibiscus and purple asters to carry out a color motif of purple and yellow.

Miss Ruth Dorsey, Mrs. Sarah Thomas and Mrs. Kathryn Cunningham were on the committee in charge of general arrangements for the tea. Mrs. Rena Canipe and Mrs. Myrtle Brooks presented the program of entertainment and Mrs. Cunningham presided at the punch bowl. Refreshments included punch, nuts, mints and cookies; made by the home economics girls.

Miss Evans and Miss Clowe were each presented with a lovely set of banquet tablecloth and napkins.

The faculty also presented Mrs.

Leland Keene with a sterling silver spoon for her infant daughter, Linda.

Storm Does Little Damage To Crops

A brief but vicious storm made up over Lake Okeechobee around 8 p. m. Monday and struck the Pahokee-Canal Point area with winds of full gale force and gusts estimated up to 75 miles an hour.

The heavy steel-pipe flag pole in front of the Florida Highway Patrol office in Pahokee was doubled over, a few trees were blown down and streets and yards were littered with broken limbs and other wind-borne debris.

Growers reported some fields of late corn flattened by the storm winds but because of the lateness of the season practically all crops have been harvested and losses on the whole were light.

The storm, which showed signs of originating as a twister on the lake, lasted about 30 minutes and ended with a deluge of rain.

Mayo Warns Farmers About Produce Buyers

TALLAHASSEE — Commissioner of Agriculture Nathan Mayo today released a statement intended as a tip-off to Florida growers, directing attention to the importance of making certain that buyers of farm produce had qualified under the Florida Agricultural Bond and License Act. "Specifically," said Commissioner Mayo, "I wish to warn watermelon growers whose melons will soon be rolling to market that they should be on the alert against unbonded purchasers. The Florida act passed in 1941 requires purchasers of farm crops from producers to qualify by obtaining license and filing bond guaranteeing the payment for the product bought from the producer. This act, often referred to as the 'cash on the barrelhead' act, was passed to put an end to transactions under which Florida farmers and growers were often fleeced by accepting payment in the form of rubber checks for their produce. The sum total of the losses to Florida growers under the bad check system ran into many thousands of dollars per year. Hundreds of carlots of watermelons, cabbage, beans, tomatoes, and other vegetables were paid for with spurious checks which bounced back in the face of the grower days after his produce had been delivered to some distant city, and all he had for his hard work was a check carrying the doleful words 'Insufficient Funds' or 'No Account.'"

Under the present agricultural bond and license law, every dealer in agricultural products must obtain license from the Commissioner of Agriculture and file a surety bond for the protection of the grower from whom he makes purchases. Transactions in citrus fruit and dairy products are not covered by the bond and license act. Violation of the act constitutes a misdemeanor and the first offense calls for a fine of not less than \$250 or imprisonment up to six months, while the second or subsequent offense brings down a fine of \$500 or imprisonment up to one year or both, at the discretion of the court.

"I wish it were possible," said Commissioner Mayo, "for every farmer in Florida who sells any produce from his farm, orchard, vineyard, garden, or beehive, or sells any livestock or poultry products, to know that he is entitled to the protection provided by the Florida Agricultural Bond and License Law. All dealers purchasing or handling direct from farmers, products produced on Florida soil come under the act unless they actually make payment in United States currency at time of purchase. Florida growers would do well before selling anything from their farms to make certain that the purchaser is bonded unless they get the cool cash in hand. Those who ship on consignment or trust a persuasive buyer with their produce without knowing that he is bonded, do so at their own risk."

Radio Personalities Buy Florida Lands

INDIAN ROCKS BEACH — Boosters of the Gulf Beaches are looking forward to plenty of valuable nationwide radio publicity as the result of the purchase last week of Coral Beach Court by Johnny Mince, one of Arthur Godfrey's entertainers. Joining Mince in the purchase is one of the "Cherry Sisters" and Victor Lee, a Long Island music store owner.

With improvements planned, the deal will represent an investment of \$125,000. The apartments will be managed by Alfred Druhm, Mince's brother-in-law.

Godfrey has already started quipping about the deal, and Florida can look for frequent mention on his programs as a result of it.

WSOS TO INSTALL OFFICERS SUNDAY

Newly elected officers of the Pahokee First Methodist Woman's Society of Christian Service will be installed at a special candle-light ceremony to be held during the evening service at the church Sunday, May 27, with Rev. Ralph W. Todd officiating as installing officer.

Announcement:

For more than thirty years B. D. Cole, Inc. has been issuing insurance in the Everglades Area; now, we announce with great pride the purchase of the insurance agency of O. R. Bleech in Pahokee.

Mr. Bleech will continue as Manager, and there will be no change in the service he has rendered his clients in the past.

Having the support of B. D. Cole Inc., one of the largest insurance agencies in this section, will enable Mr. Bleech to provide an even higher degree of service than heretofore.

Respectfully yours,

B. D. Cole, Inc

Christian Science Group Of Canal Point

The term Soul as applied to God as well as man's spiritual individuality will be discussed in the Lesson-Sermon on "SOUL AND BODY" to be read in all Christian Science Churches next Sunday.

The Golden Text is from Isaiah (26: 8): "In the way of thy judgments, O Lord, have we waited for thee; the desire of our soul is to thy name, and to the remembrance of thee."

Selections from the Bible include the following: "For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring" (Acts 17: 28).

Passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Sooner or later we shall learn that the fetters of man's finite capacity are forged by the illusion

that he lives in body instead of in Soul, in matter instead of in Spirit." (p. 223).

Miss Ruth Evans Honored With Shower

The Beta Omicron Chapter of the Beta Sigma Phi Sorority at a meeting at the home of Mrs. Jess M. Elliott Thursday night voted to continue the support of the School for Exceptional Children at the Pahokee Housing Authority as a project for the coming year.

Mrs. Earl Crossman and Mrs. J. C. Schoepel were appointed to represent the group on the Lay Health Planning Council being organized in Pahokee.

On the program Mrs. E. J. Graham showed a motion picture, "The Short Way Home."

Following the meeting chapter members honored Miss Ruth Evans, bride-elect of Frank Handley, with a miscellaneous shower. Mrs. J. T. Holden, co-hostess assisted Mrs. Elliott with the serving of refreshments.

Physical Ed Class Plan Weekend Of Fun

Miss Geraldine Hicks' third period physical ed class at Pahokee High School is planning a weekend of fun on the East Coast.

The group intends to leave Friday evening after school and go to Miss Hicks' home which they will make their headquarters. They plan skating and swimming at Lake Osborn and a picnic and beach party Saturday.

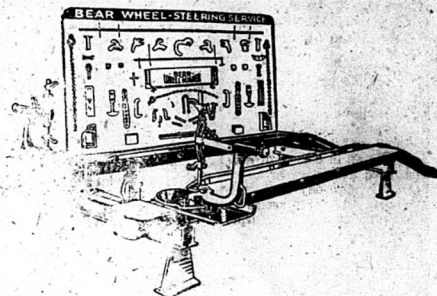

Expecting to make the trip are Mary Hall, Thelma Vann, Sara Summers, Faye Kinney, Arlene Rainieri and Joan Goodson. They will be accompanied by Mrs. J. T. Summers.

DO YOU KNOW—

THAT proceeds from the sale of over 25,000,000 poppies made annually under the guidance of the American Legion Auxiliary amount to more than \$2,000,000 every penny of which is devoted to rehabilitation work by both the Legion and Auxiliary, which includes aid to the needy veterans and their families? The method of distribution varies in our fifty-two Departments, depending upon the nature of the demands for help. Each of our 11,000 units in communities scattered all over the United States, its territorial possessions and in foreign countries where veterans reside, maintains a Rehabilitation Committee working

under a chairman, and a Child Welfare Committee with its chairman, and these Unit chairmen are assisted by a state chairman of similar committees, who in turn work under the guidance and help of a National Rehabilitation Chairman and a National Child Welfare Chairman? May 26 will be Poppy Day in Canal Point.

You may not realize it, but every time you make a purchase of 10 gallons of gasoline, you are paying 85 cents in taxes. Gasoline taxes have increased 183 per cent since 1925, states the Florida Petroleum Industries Committee.

Come to Church

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

Churches Of The Glades

Defense is your job, too!

Reflecting brilliant factory lights like a myriad glimmering stars, these masterpieces of American industrial design are in reality plastic plane noses awaiting inspection. They will play an important part in America's preparedness program; they are the tools of the U. S. Air Force in its job of defending you.

Defense is your job, too. And one of the best ways you can carry out your part is by making your family and your country economically strong. Buy United States Defense* Bonds now and buy them regularly. Go to the pay office where you work and sign up for the Payroll Savings Plan, or join the Bond-A-Month Plan where you bank. Do it today!

★ ★ ★

**The U. S. Defense Bonds you buy give
you personal financial independence**

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house, or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you don't save at all.

So go to your company's pay office—now—and sign up for regular Defense Bond purchases through the Payroll Savings Plan. In this plan, you may save as little as \$1.25—or as much as you want—each week. If you can save just \$7.50 weekly, in ten years you'll have bonds worth \$4,329.02 cash! You'll be helping protect America—and helping your dreams come true.

*** U. S. SAVINGS BONDS
ARE DEFENSE BONDS
BUY THEM REGULARLY!**

Five Circles Of WSCS Hold Meets

The five circles of the Pahokee First Methodist Women's Society of Christian Service held separate meetings at the homes of members Monday for mission studies of "Christian Vocations" and to conduct monthly business sessions.

The Mary Martha Circle met at the home of Mrs. Glenn Abbing, with Mrs. E. L. Pope, co-hostess. Mrs. Ernest Maxwell received a gift from the circle in gratitude for her services as chairman and Mrs. John A. Dulany was awarded a gift for perfect attendance to circle meetings during the past year. Mrs. E. J. Graham was in charge of the mission study and Mrs. Earl J. Jones, a visitor from the Canal Point WSCS, brought the meeting to a close with a prayer.

Mrs. M. P. Holman was hostess to members of the Mabel Simonson Circle at her home, with the mission study under the direction of Mrs. Duncan Padgett and Mrs. R. J. Schroder. Mrs. Arch Blakey, circle chairman, presented each of the officers serving with her with a gift in the form of a small potted plant. Mrs. C. A. Canipe and Mrs. G. O. Schroder were guests.

The Gertrude Shirley Circle met at the home of Mrs. Hugo Boe, with Mrs. E. L. Brooks, co-hostess. Mrs. Brooks was in charge of the mission study and Mrs. L. M. Collins gave the devotionals. Circle members presented their chairman Mrs. Boe, with a gift in appreciation of her services.

Mrs. Gordon Schuetzler was hostess to members of the Margery Lair Circle at a meeting at her home, with Mrs. G. W. Byrd presiding in the absence of the chairman, Mrs. L. W. Armstrong. The Mission study was presented by Mrs. C. M. Todd. Refreshments were served by the hostess.

The Miriam Circle met at the home of Mrs. L. L. Shirley, with Mrs. Leon Spooner, chairman, presiding at the business session. Mrs. C. A. Canipe reported the circle cleared \$61.65 from a recent benefit rummage sale. Mrs. D. W. Cunningham was in charge of the mission study and Mrs. Canipe presented the devotional program.

MRS. SPEER RETURNS FROM GEORGIA TRIP

Mrs. H. L. Speer returned recently from Leslie, Ga., where she and Mr. Speer attended a family reunion honoring his parents, Mr. and Mrs. H. L. Speer, Sr., both of whom are over 80 years old and were celebrating birthday anniversaries.

While in Georgia Mrs. Speer also spent two weeks with her daughter, Miss Betty Speer, who is employed as laboratory technician at the Athens General Hospital. Enroute home Mrs. Speer spent a few days visiting her sisters, Mrs. Lex Green and Mrs. G. J. McGriff, and families in Starke, Fla.

Eighth Grade Has Swimming Party

Members of the Eighth Grade at the Pahokee School held a swimming party and picnic supper at the city park Friday evening. Following the picnic dancing was enjoyed on the tennis courts. Miss Winifred Clowe and Leland Keene, faculty sponsors, were in charge of arrangements. They were assisted by Mrs. Thomas Elliott, Mrs. George Ramey, Mrs. A. L. Beverly and Mrs. Roland Long.

Following the Eighth Grade party, the Ninth Graders took over at the city park with a swimming party of their own and the same evening the tenth graders enjoyed a hayride to St. Lucie Canal while the Seniors were on their "skip day" tour of points of interest along the West Coast.

Roadside Parks Can Become Havens Of Safety For Motorists

Florida's growing number of roadside parks could become havens of safety for the tired motorist if a suggestion offered today by the Florida State Board of Health is followed.

A short nap in one of these convenient "pull-off-the-road" spots might serve to cut down on the State's growing number of automobile accident fatalities, says Dr. Wilson T. Sowder, State Health Officer.

The State Board of Health is concerned with the problems of auto accidents for two reasons, it was explained. First, the health agency is required to accumulate data on such fatalities as part of its task in operating the Bureau of Vital Statistics. Second, many such deaths are "preventable."

"Running off the roadway" is the third leading cause of fatal auto accidents, topped only by mishaps involving two or more motor vehicles, and pedestrian deaths.

"Perhaps it may never be possible to know the whole truth about this matter," an auto accident report being prepared by the State Board of Health notes, "as the persons involved are usually dead or seriously injured at the time of the accident."

"It is a fair assumption, however, that fatigue, falling asleep and the drinking of intoxicants are responsible in no small measure for such accidents. For this reason, more emphasis should be placed upon rest facilities in the form of frequent roadside parks. Moreover, their purpose as rest havens should be stressed over their use as picnic places."

Wants More Money For Ad Commission

LEESBURG — State legislators will give Florida a penny-wise and pound-foolish economy program if they continue to refuse to raise the State Advertising Commission's appropriation, Beverly Grizzard, Commission member said here recently.

Grizzard points out that rates of most publications have sharply advanced and the present appropriation will not buy half as much as it formerly did.

Officials of the Florida Publicity and Public Relations Association attending the 1951 Florida Watermelon Festival here concurred with Grizzard and the organization has already gone on record favoring an increase.

Representative Travis Phillips of Brooksville favors a substantial increase for out-of-state advertising and has been fishing for it since the session opened.

DO YOU KNOW—

THAT the more than 25,000,000 poppies made by disabled veterans are sold on the streets under supervision of the American Legion Auxiliary, on the Saturday preceding Memorial Day, by approximately 125,000 volunteer workers who receive no compensation? May 26 will be Poppy Day in Canal Point.

Howell Watkins Was Guest Speaker At C. P. Lions Meeting

Howell Watkins of West Palm Beach, county superintendent of the Board of Public Instruction, was guest speaker at the Monday dinner meeting of the Canal Point Lions Club. Introduced by A. R. Harrington, program chairman, the speaker explained to the Lions and their guests "The Foundation Plan" for State schools.

Other dinner guests included A. Q. Howell, local district member of the County School Board; L. V. McClelland, president, and Mrs.

Pope Sears, immediate past president of the Canal Point Parent-Teacher Association, and members of the Canal Point teaching staff. It was announced the club's ladies night program and installation ceremony, originally scheduled for June 4, has been postponed because this date conflicts with the Pahokee High School commencement exercises.

It was also announced that Mills H. Byron, who is in charge of the fiber plants laboratory at the Everglades Experiment Station will speak at the dinner meeting May 28 on "Kenaf," the fiber crop similar to jute which the Department of Agriculture is encouraging Glades farmers to grow.

DO YOU KNOW—

THAT through the American Legion Auxiliary poppy program more than \$300,000 is paid annually to needy and disabled servicemen and women for making the poppies. May 26 will be Poppy Day in Canal Point.
